Empowering and Motivating You to Succeed!

Eddie Raether, MS, CSP's Profile

Travels from: Terrell, NC, US

Eddie Raether, MS, CSP, is a Change Strategist who has been a behavioral psychology expert and family counselor for 40 years. She provides answers with action-oriented, interactive programs of both prevention and intervention. Eddie is an international speaker who has presented programs on five continents. Her inspirational books for children and adults have been translated into numerous languages. Eddie has also been a college professor and talk show host for ABC affiliates. She is sharing the platform with such celebrities as Oprah, Deepak Chopra, Steve Jobs, Sir Paul McCartney, Marianne Williamson, Sir Richard Branson and many others.

Eddie's keynotes have empowered over 3,500 associations and Fortune 500 companies on 5 continents. An author and expert on breakthrough thinking and the Other IQ-Innovation, Influence and Intuitive Intelligence, her "must have" change management and influencing system predicts performance and transforms apathy into action to increase sales, empower leaders, and improve customer care.

Eddie provides interactive prevention programs for angry kids who bully, protection for kids who are bullied, and answers for parents and teachers seeking guidance to a serious problem that is responsible for many child and teen suicides. Eddie's coaching and training programs transform people from fear to empowerment and from anger to enlightenment.

Specialties: Change Management, Sales and Marketing, Leadership, Management Development & Bully Buster

Keynotes include:

"How to Thrive in Turbulent Times!"

Implement a program where the challenges of today's economic environment will empower you to "Think Up" and reflect, refocus and reset your company's goals and objectives. Eddie will change your thinking to reinvent yourself and create the results you desire.
