

Empowering and Motivating You to Succeed!

Elinor Stutz' Profile

Travels from: San Francisco, CA, US

Elinor Stutz, CEO of Smooth Sale, delivers inspirational keynotes at conferences and is the author of three books. The most recent, *INSPIRED Business A New Vision for Building Business and Communities* stems from a long-held secret:

While on a stretcher with a broken neck, Elinor Stutz heard her family sobbing upon their hearing the surgeon's prediction of paralysis. BUT at that very moment, Stutz experienced two visions asking "*Are you ready for the fight of your life?*" and, "*Will you learn how to believe, become and empower others?*"

Her story is compelling, inspiring, and leads others directly into knowing *how to build a successful heart-based business*. Stutz maintains if we all keep the tagline "Believe, Become, Empower" in the forefront of our business model, not only will we each become successful but together we may positively impact society.

Stutz also authored the International Best-Selling book, "*Nice Girls DO Get the Sale: Relationship Building That Gets Results*." Community Service work teaching job seekers how to sell themselves on interviews led to the writing of her second best-selling book, "*HIRED! How to Use Sales Techniques to Sell Yourself On Interviews*." Stutz contributes to the weekly PersonalBrandingBlog.com highly rated by Forbes. GenConnect.com appointed Stutz as one of their leading experts, and Open View Labs designated her as one of the worldwide 25 Top Sales Influencers for 2012. Stutz offers sales and business development training, and private coaching to GROW your business. Stutz consults and trains worldwide.
