Customized Corporate Put-Ons

WHAT IS A PUT-ON?

Bringing in Harry to play the part of an industry expert or newly hired executive. He starts off for real, but after a few minutes of his outrageous quips, everyone realizes they've been had - and they love it!

CAN IT WORK FOR ANY GROUP OR ORGANIZATION?

ABSOLUTELY! Each of Harry's put-ons is completely customized to the client's need and situation. Sometimes the "spoof" takes the form of poking fun at a general topic you agree on with Harry; sometimes it's poking fun at specific people that you and Harry select. In either case, you can rest assured it will be a hit with your group.

WHAT ARE THE BENEFITS?

REVITALIZATION: Nothing refreshes a group better than laughter - as everyone emerges re-energized, ready to tackle new challenges. FACILITATING

TRANSITION: From planning to implementation, from completion to beginning, or from work to relaxation, it's the perfect way to refocus a group on new goals or activities.

FRIENDSHIP & TEAMWORK: Strangers instantly connect, co-workers come closer, and barriers of rank take a break. There's a glow that remains and fosters better communication and cooperation.
