

Empowering and Motivating You to Succeed!

Kenny J. Anderson's Profile

Travels from Utah, US

As an International consultant, speaker, and Bestselling author, Kenny J. Anderson has traveled the world discovering the Common Denominators for Success in both corporate and personal excellence.

Tap into some of the most brilliant minds around the globe to discover your blueprint for success.

Through extensive personal research and powerful insights taken from his interviews with successful leaders across the globe, Anderson has created a powerful business and leadership development program that produces **measurable results for organizations and individuals worldwide.**

Anderson is an energizing and dynamic speaker who uses motivational stories and a bit of humor to connect with and inspire audiences. Audience members learn to identify needs, apply correct principles, set goals, and implement them to achieve results. Anderson provides the **tools and resources that ensure optimal performance.** His no-excuses, just-results approach is contagious and empowering.

Anderson recently completed a World Tour covering 55,000 miles in 50 days, visiting 15 countries and 6 continents talking with leaders in business, sports, entertainment, and government. Among his interviews were Ambassadors of countries, Olympic athletes, World class entertainers, and top CEO's. Anderson now applies these experiences to his powerful leadership model to produce systemic results within organizations, increasing production and efficiency.

Get results by creating value with vision

Anderson, founder and CEO of Leaper Footwear LLC, discovered his own success as an entrepreneur as an inventor of a globally recognized shoe patent, revolutionizing the sports shoe industry.

Anderson has also been a top producer as a financial advisor and as a real estate professional, closing over 200 million dollars in real estate transactions. Now as a Bestselling author, and International speaker and business consultant, Kenny J Anderson has developed a Global leadership program that has impacted audiences and organizations worldwide.

Testimonial:

"Kenny did a remarkable job relating to the international audience and his address resonated very well with our group. ... Kenny's remarks transcended cultural and geographical barriers and focused on the human element of equation thus ensuring that everyone took something from his remarks which benefited them individually as well as our network as a whole."
