

Empowering and Motivating You to Succeed!

Rick Cram's Profile

Travels from Boston, MA, USA

Rick Cram is a speaker and host with a unique "Laugh. Learn. Lead." approach that takes leadership development, team building and event marketing to a whole new level.

When your people "Laugh. Learn. Lead.", you'll experience first-hand how an event can more effectively engage, educate and motivate.

Rick believes in professional development that affects the whole person, provides advanced yet practical strategies and skills that can be immediately applied to help you and your organization to excel. His programs are the product of his 25 years of experience as a strategic consultant to leaders of corporations and non-profit organizations, speaker, and a leader of three groups for people who are navigating the most challenging of experiences in business and life.

Rick has been creating and hosting events that bring out the best in conferences, meetings and live marketing programs for over 20 years, and doing so with a level of expertise and creativity unlike anyone else. Ever since he produced and hosted a weekly game show for Marriott and Miller Genuine Draft, which they raved was the most successful and longest running promotion they ever had, Rick has been wowing audiences internationally.

In addition to hosting hundreds of custom game shows, Rick develops creative conference programs – interactive content-rich and motivating experiences as unique as your brand. Two of his proven programs include: "**LIVE**" — A cross between a live social media event and a TV show in which everyone participates; and, "**Past. Present. Future.**" — An interactive multimedia event that tells the story of where your company has been and where you're going in a way that is uniquely compelling and motivating

PLAN TO BE YOUR BEST©

Leadership Strategies, Emotional Intelligence, Action Planning, and Motivation for Driving or Dealing with Change

This strategy-rich and highly interactive program is grounded in this premise: the people who plan to be at their best as they deal with change are going to be the most successful.

It's based on Rick Cram's 25-plus years of experience as a strategic consultant to leaders of corporations and non-profits, accomplished speaker/host of one thousand events, and a leader of three groups for people who are navigating the most challenging of experiences in business and life.

These eight strategies will help you...

- React better to the current and upcoming challenges
- Discern effective resources and solutions
- Be intrepid in taking decisive action
- Be more determined in being successful
- Gain leadership techniques that make a positive impact on others
