

## Empowering and Motivating You to Succeed!

### Steve Olsher's Profile

Travels from: Chicago, IL, US

Steve Olsher's presentations are moving, inspiring, and hilarious. Most importantly, audiences of all ages walk away with tangible ideas, concepts, and easy-to-apply learning objectives that can immediately be implemented.

He has been called "an innovative, engaging, and empowering presenter who tells it like it is." His message – "that we each are born with an inherent blueprint that we must heed in order to make an inordinate difference in both our life and the lives of others" – transforms people across the globe.

And, his focus on helping corporations identify their corporate *WHAT* helps companies of all sizes focus, engage, and profit.

Hire him to fire up your executives, student body, employees, association members, convention/summit attendees or parishioners and he'll teach them how to become clear on the answer to life's most important question: "What Is Your *WHAT*?"

Steve has been featured on CNN, Fox Business, ABC, NBC, Forbes.com, The Huffington Post, Mancow Muller's radio show, The Jim Bohannon radio show, and more than 300 other media outlets.

**Specialties:** high schools, colleges, community and business organizations, houses of worship, rehabilitation facilities, career centers, youth organizations

#### Topics Include:

#### **Reinventing Leadership – What Is Our *WHAT*? Reinventing Leadership – What Is Our *WHAT*? 4 Fundamental Strategies For Thriving In The Millennial World:**

In this highly engaging, interactive presentation, I share cutting edge tools, tactics, and strategies for reinventing the role of today's executives in our rapidly changing, globalized culture. As technology evolves and employees gain greater awareness of their role in both your organization and the world at-large, it is essential to manifest creativity, personal fulfillment and development while fostering global contribution. Key issues covered include:

- Identifying your company's *WHAT* – that is, the ONE thing your company was created to do
- Tapping into your employees' innate abilities to achieve maximum performance
- Creating a collaborative, give back, press-worthy initiative your employees develop and cultivate
- Leveraging technology to advance your cause, core values and company goals

#### **Value to Attendees:**

Audience members will leave with the ability to create a greater sense of leadership and cultivate an empowered corporate culture. I'll provide each attendee with easy-to-implement personal and professional development tools and strategies that can be immediately leveraged to foster camaraderie, better hiring practices, employee review, promotion, and training team members for optimal role placement and performance.
