

## Empowering and Motivating You to Succeed!

### Terry Nusyna's Profile

Travels from: Canada

Terry Nusyna's secret life as a security operative has provided her with experiences from a woman's viewpoint. She has traveled the globe and been trained by experts throughout the world. She has been in harrowing situations that most people only read about.

In 1997, Terry established TN Security Intelligence with a prevention approach using the criminal's mindset to assess risk. Ms. Nusyna is recognized by her peers for her excellence in Global Trade Security and contribution to establishing standards for reducing risk in the Supply Chain. An expert in international trade security, Terry was recently honored by US Homeland Security for best Threat Awareness employee training program for importers and exporters.

She has helped many companies reach "low risk" status with Trade Security Programs **C-TPAT** (Customs Trade Partnership Against Terrorism, USA), **PIP** (Partners In Protection, Canada) and **AEO** (Authorized Economic Operator, Europe).

Terri's straightforward, user-friendly security solutions Threat-Awareness seminars empower people to protect themselves, their businesses and their supply chain in order to safely import and export goods around the world.

Terry has visited 100's of locations for exporters, converting them to qualified low risk trusted traders to avoid border stoppages. She was a major influence in the creation of new security standards for both USA and Canada. Some of her clients now have the rarely awarded status of *Best Practices* in Global Trade Security.

Concurrent with responsibilities as CEO of TN Security Intelligence, Terry Nusyna is under direct tutelage of Grand Master Dr. Zhi Gang Sha, MD., Doctor of Traditional Chinese Medicine, Acupuncturist, Grand Master of Qi Gong, Tai Chi and lineage holder of many ancient disciplines. Before Terry became one of his teachers of Soul Mind Body Medicine™, Terry applied the methodology to her security business, to her health, and now to assist others to wellness and success.

#### TOPICS INCLUDE:

##### High Wire Act Balancing Risk with Adventure

Going to business meetings and events in exciting and interesting places? Taking that adventurous vacation? Why risk health, safety, company devices, confidential data and reputations?

Most are not seasoned travelers. Many forget they are no longer under the safe umbrella of home. Learn to recognize and change behaviors that are magnets for trouble.

Convert apathy to cooperation, teamwork and loyalty.

Empower your attendees to transform risk and fear, to confidence, self protection and strength.

Terry brings a unique perspective and practical techniques that are simple and realistic.

Her captivating real life stories are as genuine as her passion to help others.

##### Are your people working FOR or AGAINST the organization?

**Businesses that give support receive support.**

Impact wellbeing and happiness to increase performance. Decrease risk and liability.

Terry addresses safety, security and wellness as a blend of hard and soft skills.

She combines her experiences in covert security operations and her knowledge of Soul Mind Body Medicine™ to build sustainable business success.

*"Help employees balance all aspects of their life. Happy and healthy teams are loyal, supportive teams."*
