Billy Riggs' Profile

Travels from Austin, TX, US

BILLY RIGGS, MRE, M.DIV., CSP, OMG!

Voted one of America's Top Five Most Entertaining Speakers in 2014, Billy Riggs has been called "The Dr. Phil of Magic," and "a psychologist masquerading as a comedian and magician." He uses his illusions and comedy to grip audiences, move them to action, improve attitudes, turbocharge service and sales, and change lives. Perhaps the only entertainer in America who can also be described as a true orator, Billy has been impacting audiences – with or without his magic – through his speeches from the age of 18. Through television, radio, books, videos, and live keynote speeches Billy has used an unusual blend of comedy, music, magic, training, and motivation to spread his positive attitude to more than a million people on five continents. A spellbinding speaker, Mr. Riggs was presenting to audiences as large as 15,000 people at the age of 22.

Audiences find themselves stirred by his sincerity and power on the platform. In 2002, Mr. Riggs was presented the highest earned award of the National Speakers Association: the Certified Speaking Professional. Since 1995, he has breathed magic into people, companies and organizations.

But the goose bumps aren't always the result of dramatic oratory. When Billy Riggs appears, things on stage begin to disappear! Using world-class magical illusions to drive home his points, Billy's presentations have transformed hundreds of otherwise ordinary conferences into something truly special. His quick wit and quicker hands spread laughter and raise morale as listeners learn to reshape their destinies by eliminating their "Grand Illusions" and embracing even grander realities.

There are other magicians, comedians, and speakers, but *NO ONE* does all three like Billy Riggs!
