#### **Testimonial:**

*"The first time I met Leslie Flowers and heard her speak, she taught me the power of selling to people who would most likely become my "ideal clients" based on the Nine Enneagram Personality Types. It was such a valuable lesson, I remember and use it every day. Combine that with her rich background teaching the principles of Napoleon Hill's Think and Grow Rich, Leslie is a remarkable and memorable speaker, teacher, and advocate for success. She's fantastic."*
