High Performance Persuasion to Get Sharks
Swimming for You

Keynote Presentation with Traci Brown

**Want to know what it takes to get a deal with a Shark
from ABC's hit show Shark Tank?**

Body Language and Persuasion Expert Traci Brown got a deal from original Shark, Kevin Harrington. In this dynamic keynote she reveals what happened after they shook hands and the cameras turned off.

As she takes you through her shark tank journey from the initial pitch to infomercial and beyond, you'll learn the persuasive techniques she used to get the deal ---and keep it alive-- even when it looked like failure looked imminent.

You'll learn the tools she used to get results with her Shark so you can immediately apply them to your organization

THE SUCCESS FORMULA

Adopt the Persuasive Mindset so you can:

- Know more about others than they want you to
- Instantly captivate and get agreement in the highest stakes situations
- Say no to defeat
- Push through to success when the chips are down
